1983 Business Experience

Started with Manufactures Hanover Trust (MHT) in the Automated Service Department. My responsibility was converting Commercial Loans from branches to a computerized system.

When the conversion of all branches were completed, I was transferred to a branch with retail and corporate loans. Some loans were secured by collateral. All collateral stocks, bonds and documents were my responsibility.

I received a promotion to Assisted Manager. A few years later retail loans became a Centralized Loan Department. I was promoted to Assistant Secretary and was in charge of the Retail Loan Center.

In 1991, MHT and Chemical Bank merged. In 1992 I accepted an early retirement. In 1994 I continued to work part-time at Chase Bank until 2016.

1952-1956 Military: U.S. Navy Honorable Discharge

1974 -- 2006 Community Activity -- Manager Little League Team. Served on Little League Board of Directors. Coached Basketball and Soccer teams.

Elected to my Condo building Board of Directors @200 Winston Towers as secretary for 12 years.
